DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

Information Disclosure Statement

The listing of references in the specification is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609 A (1) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892, they have not been considered.

Drawings

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the following reference sign(s) mentioned in the description: Page 8 line 24, reference sign 5. A proposed drawing correction or corrected drawings are required in reply to the Office action to avoid abandonment of the application.

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference sign(s) not mentioned in the description: 64, figure 1. A proposed drawing correction, corrected drawings, or amendment to the specification to add the reference sign(s) in the description, are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

Art Unit: 3641

Specification

The disclosure is objected to because of the following informality: The term “*Tail Mounted Dispensers (TMD)*”, page 6 line 17, was previously identified as a “*Torpedo Mounted Dispenser (TMD)*”. Appropriate correction is required.

Claim Objections

Claim 7 line 7 is objected to because of the following informality: The term “*bell mouth connector*” was previously identified as a “*bell mouth adapter*”. Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
